## Lighting Technician

19 Chapman Avenue, Maroubra

Phone: 0402544060

E-mail: lukejay2035@gmail.com

### Training Certificates

- HR Truck License
- EWP Over 11m
- EWP Under 11m (Scissor Lift / Yellow Card)
- LF Forklift
- OHS White card
- Working At Heights
- PADI Open Water Diver certification

### CAREER OBJECTIVES

The five months I worked on The Netflix series 'Pieces of Her' was an exciting introduction to Professional Film & T.V. production. I am seeking challenging and rewarding roles to enable me to continue to develop the skills required to meet the standards set in this ever evolving industry.

I wish to develop my career in lighting with companies and individuals that support and encourage commitment to excellence, providing me with the opportunities for career growth and development.

**PREVIOUS EMPLOYMENT**     **Cadet, Multiplex Constructions**  
**Sep 2019 - Jan 2021**

First job out of university, worked collaboratively with the basement structure team to aid in delivering a number of small outcomes that would improve systems to deliver an improved final design. Roles and responsibilities included:

- Contract administration for all subcontractors, including procurement and management of subcontractors.
- Updating the program monthly, ensuring the project handover date was maintained.
- Assist the design team during the construction phase, coordinating details and managing RFI submissions.
- Oversee Defect / Dilapidation repair process
- Document control - writing progress reports and minute taking.
- Submitting variations and progress claims to the Site Super Intendent
- Ordering materials from project drawings and specifications
