I have worked a lot with LED lights and have experience working with wireless and wired DMX connections. I am able to address the lights and connect them to the appropriate universe via wireless or wired means. On Shang-Chi and Furiosa I also helped with soldering LED strips. On Thor Love & Thunder I also wrote the Lighting Continuity notes.

Experience			
YEAR	PRODUCTION	POSITION	GAFFER
2023	Why We Fight (Short Film)	Best Boy/Lighting Assist	Matt Wilson
