EXPERIENCE AND BIO:

- 15+ years experience in film and Television.
- Worked up from attachment to video split, 2nd AC and eventually to 1st AC.
- Valuable knowledge and understanding in the art of using the camera to tell the story.
- Specialised as a gopro, crash camera, array and drone camera technician on some projects.
- Experienced in setting up and balancing steadicams and gimbals, in particular the Ronin 2, RS2.
- Hard working, easy going and professional attitude.
- Experienced with most digital production cameras including, Arri, Panavision, Sony, RED, Canon, Blackmagic, Panasonic, DJI Phantom 4 and Mavic drones, as well as some Arri, Aaton and Bolex film cameras.
