To whom it may concern,

It is my absolute pleasure to recommend Jonathan Rey Caballero for a Directors Attachment role.

I was the Special Effects Supervisor on the new Mad Max film, Furiosa. I was fortunate to have Jonathan employed as our SFX Buyer/Runner for over 18 months from Pre-production to the end of Production.

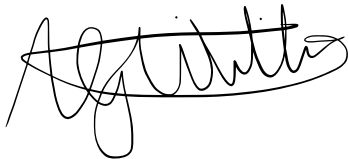

Over the duration of the production, I thoroughly enjoyed my time working with Jonathan and came to know him as a truly valuable asset to our team. Jonathan communicates thoroughly, can run a calendar, with Indesign Skills and can think on his feet. Beyond that, Jonathan brings a positive vibe to the team.

Without a doubt, I confidently recommend Jonathan to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your Production Team.

Please feel free to contact me should you require further information or if you want to discuss further.

Regards

Andy Williams
