TELEVISION (BROADCAST)

Primarily assist the Director & Producers with the day-to-day operations of both live & pre-recorded content within the fast-paced environment of a broadcast control room. I worked full-time at Nine as a Directors Assistant & Graphics Operator from July 2021 to April 2024.

- Cross checking rundowns + supers + GFX + OVL + SOT's
- Time keeping across segments + packages + several other aspects of production
- Managing coming in and out of breaks with the playout centre
- Continuous clear and precise communication to rest of crew over comms
- Ability to remain calm and composed under a high amount of pressure
- Use of ENPS & Viz Trio
